CLARKSVILLE GAS AND WATER PROJECT HELP SIGN-UP FORM

Imagine facing frigid winter nights, or sweltering summer days without any water, electricity, or gas heating. For some Tennesseans, it's a devastating reality shaped by circumstances often beyond their control. Fortunately, there is a statewide program designed to help those in need manage debt and pay off their bills over a period of time.

Project Help provides assistance distributed through charitable agencies. The funds come from donors who contribute an extra dollar or two on their gas and water bills each month.

Simply write down how much you would like to donate each month on the line below accompanied by your name, account number, signature and date and mail it to: 2215 Madison St., Clarksville TN 37043 or email to: gasandwater@cityofclarksville.com.

Any donation amount is appreciated and can make a world of difference.

Thank you – for helping us, help others.

I request to participate in the Project Help Program.
